2. The provisions herof shall be of a binding agreement between Interparking and the Service Recipient and shall specify the legal basis and conditions of the Agreement, including the rights provided to the Service Recipient has under the Agreement to the real property i.e. the Car Park.
3. The Service Recipient and Interparking shall be the parties to the Agreement. The Service Recipient shall hereby confirm that they have full legal capacity to enter into legally binding commitments by accepting the conditions hereof, and shall be responsible for the proper execution of the Agreement. The Service Recipient shall not be allowed to conclude the Agreement or make any payments under the Agreement with the use of counterfeit or misappropriation of the first or last name, using false or third persons credit cards or their bank accounts, without the consent of the owner of the credit card or bank account or in any other manner not compliant with the law.
4. The conditions of the conclusion of the Agreement are: correct execution of the reservation process by selection of reservation criteria, complete filling of the data of the Service Recipient, acceptance of the conditions hereof and paying the reservation fee.
5. The process of reservation of a parking space requires :
 - a) visiting the Website by the Service Recipient;
 - b) on the homepage of the Website or Booking tab, the Service Recipient shall specify a booking date, i.e. a date and time of arrival and a date and time of departure. The Service Recipient may book a parking space online before the Car Park entry time specified by the Service Recipient, and reservation must be made for a period of at least 15 minutes. The functionality of the Website may provide for minimum

requirements as to the time interval between the reservation and booked Car Park entry time;

- c) after provision of the data referred to in letter b) above and selecting "Check the price", the Service Recipient shall be informed about the fee for the reservation of the parking space in the Car Park (the price shall be gross price unless expressly specified otherwise and the minimum fee for reservation of a parking space is equivalent to the reservation fee for a period of 24 hours), after which the Service Recipient accepts the completed data and the value of the reservation fee by selecting the "Book now" button;
 - d) next the Service Recipient enters his/her personal data, i.e. name, surname, e-mail address and vehicle registration number and, optionally, the promotion code;
 - e) by commencing the parking space reservation process, the Service Recipients grants consent to receive, to the provided e-mail address, the information connected with performance of the Service by Interparking;
 - f) if the Service Recipient wishes to receive a VAT invoice for the provided Services, they shall select the appropriate field "I would like to receive an invoice" and enter the required data. The Service Recipient hereby grants consent to receive electronic VAT invoice within the meaning of the applicable law. On the basis of the Service Recipient's Based on the data of the Service Recipient Interparking will shall generate a VAT invoice in a PDF format and send it from the e-mail address of the Service Provider specified in §4 section 12 below as an attachment to the e-mail address provided by the Service Recipient. The above consent also includes consent to issue and send correction of VAT invoices issued by Interparking in the case referred to in Clause §4 section 12 below;
 - g) then, the booking process requires acceptance of the Regulation and the Terms and Conditions of the Car Park;
 - h) after entering the data and selecting "Book and pay" button, the Service Recipient will be redirected to the online payment system website where they pay for the reservation of the parking space using the selected payment method supported by the system. The fee for online reservation of the parking space is calculated automatically based on the data entered in the reservation form by the Service Recipient;
 - i) after reservation fees for the parking space have been paid correctly, a message containing a link to the confirmation of the parking space reservation will be sent to the e-mail address provided by the Service Recipient. The confirmation will contain an automatically generated "QR code" and information regarding further procedure. The Service Recipient who receives the message with the link to the confirmation of the reservation of the parking space is obliged to print the confirmation.
6. The Agreement is concluded upon proper payment of the parking space reservation fee by the Service Recipient. Confirmation of full performance of the Service by

Interparking shall be the message containing the “QR code” sent by the Service Provider to the e-mail address provided by the Service Recipient.

7. The proof of reservation of the parking space by the Service Recipient shall be printed confirmation of the parking space reservation (with the “QR code”). Lack of a printed, legible parking space reservation confirmation with the “QR code” may prevent the entrance to the Car Park. The above shall not constitute grounds for reimbursement of the reservation fee paid by the Service Recipient. In the absence of a printed confirmation of reservation of a parking space, it is possible to scan the confirmation from the screen of the Service Recipient's device, provided that the image is compatible with the technical requirements of the barcode reader located in the entry column at the entrance to the Car Park. However, Interparking is not able to ensure such compatibility, therefore, in the first place, the Service Recipient is obliged to have a printed confirmation of booking a parking space.
8. The “QR code” in the printed confirmation of the reservation of the parking space or possibly on the screen of the Service Recipient’s device must be placed (scanned) at the barcode reader installed in the entry column at the entrance to the Car Park covered by the Agreement. Then, the parking system will print a parking ticket for the Service Recipient, along with the programmed parking time specified during reservation of the parking space.
9. In consequence of conclusion of the Agreement, Interparking is obliged to ensure availability of a parking space in the Car Park for the Service Recipient in the period specified in the concluded reservation Agreement. Entering the area of the Car Park and taking of the parking space by the Service Recipient results in conclusion of the contract of use of the parking space between the Service Recipient and Interparking under the Terms and Conditions of the Car Park. The terms and conditions of the Car Park are available on www.interparkingbalice.pl. By concluding the reservation Agreement, the Service Recipient accepts the Terms and Conditions of the Car Park. The reservation fee paid by the Service Recipient for reservation of the parking space shall be credited towards the fee for use of the parking space in the Car Park to which the reservation applies, and if the duration of using of the parking space by the Service Recipient does not exceed the period specified in the reservation, the Service Recipient shall be charged with no additional fees. If the Service Recipient exceeds the parking time specified in the reservation confirmation and the parking ticket issued on the basis of the received “QR code” parking ticket, the Service Recipient shall be required, before leaving the Car Park, to pay in the automatic cash register or in the Car Park office, a fee for use of the parking space over the reserved parking time at the rates resulting from the pricelist at the Car Park. before
10. Under the Agreement, the Service Recipient shall be allowed to enter the Car Park in the period from 6 hours before to 6 hours after the Car Park entry time specified in the reservation process. The aforementioned does not change in any manner the period of time for which the parking space is reserved. The Service Recipient when entering the Car Park shall take the first free parking space. The Service covers only the Car Park, to which the reservation applies. The Service does not apply to other car parks.

11. Subject to Clause 12 below, the Service Recipient cannot withdraw from the Agreement. The above-mentioned restriction does not apply to consumers and natural persons conducting a business activity, as referred to in Article 7aa of the Act on Consumers' Rights of 30 May 2014, who can withdraw from the Agreement until execution of the Service by Interparking, i.e. until Interparking sends the e-mail containing the "QR code" to the e-mail address specified by the Service Recipient. Such withdrawal requires the Service Recipient only to send a notice of withdrawal from the Agreement to the following e-mail address of the Service Provider: rezerwacje.balice@interparking.com, containing the following data: name and surname, e-mail address specified in the reservation process as well as Car Park entry time specified in the reservation.
12. In the case of conclusion of the Agreement, based on which a reservation fee exceeding PLN 30 gross has been paid, it is possible to partially withdraw from the Agreement to the extent exceeding the above amount. The Service Recipient can partially withdraw from the Agreement no later than upon expiry of a half of the period between the reservation and the Car Park entry time specified in the reservation, and if the said period exceeds 48 hours, the right to partial withdrawal from the Agreement can be exercised no later than 24 hours prior to the Car Park entry time specified in the reservation. The notice of partial withdrawal shall be sent by the Service Recipient to the following e-mail address of the Service Provider: rezerwacje.balice@interparking.com. The notice of partial withdrawal, for its validity, must contain the following data: name and surname, e-mail address specified in the reservation process, Car Park entry time specified in the reservation as well as the first 10 digits of the "QR code" received by the Service Recipient along with reservation confirmation. In the case of effective partial withdrawal from the Agreement, the Service Recipient shall receive a reimbursement of the reservation fee to the extent exceeding PLN 30 gross. The reimbursement shall be made in the same method which has been used for payment the fee.
